**Listing of chemicals in Annex III of the Rotterdam Convention:
review of notifications of final regulatory actions to ban or
severely restrict a chemical****Summary record of notifications of final regulatory actions for
chemicals considered by the Interim Chemical Review
Committee and the Chemical Review Committee****Note by the Secretariat**

1. The annex to the present note contains a tabular summary of notifications of final regulatory actions that have been reviewed by the interim Chemical Review Committee and the Chemical Review Committee. The summary includes a brief overview of the key conclusions of the Committees on each chemical and a reference to the meeting at which the chemical was considered. It does not include chemicals presently listed in Annex III of the Convention. The annex has not been formally edited by the Secretariat.
2. Detailed information on the individual chemicals listed in the summary can be found in the reports of the meetings of the Committee, which are available on the Convention website (www.pic.int).
