Chemical Review Committee

Sixth meeting

Geneva, 15–19 March 2010

Item 5 (b) (i) of the provisional agenda*

**Listing of chemicals in Annex III to the Rotterdam Convention:
review of notifications of final regulatory actions to ban or severely
restrict a chemical: amitraz**

Amitraz

Note by the Secretariat

Addendum

Additional supporting documentation provided by the Islamic Republic of Iran

The Secretariat has the honour to provide, in the annex to the present note, additional documentation received from the Islamic Republic of Iran to support its notification of final regulatory action for amitraz as a pesticide. The documentation has been reproduced as received, without formal editing by the Secretariat.

Proceedings of the 20 April 2009 Meeting of the Pesticides Supervisory Board

Based on the invitation No. 21169.730 of 15 March 2009 by the Plant Protection Organization the Pesticides Supervisory Board meeting was held in PPO on the above date to discuss related issues in detail and to make decisions. On the basis of the proceeding of the ninth Meeting of the Technical Committee on pesticides and documents received from some developing countries as well as the report by the Iranian Ministry of Health on hazards of Amitraz the Board agreed to its replacement in view of availability of suitable alternatives beginning 21 March 2012.
